

# **PROTECTIVE SERVICES**

A full-service security agency based in Northern Virginia serving companies, non-profit organizations, and private individuals. We are committed to customer service and finding the security solution that fits your specific needs.

## **PROTECTIVE SERVICES**

A DC native, K&T CEO Kevin Hunt has been in the security business in the Washington area for thirty years. He and his experienced team have worked with an array of clients in private industry and government, providing highly individualized service for a range of security requirements. Mr. Hunt prides himself on being personally available to work with clients both large and small and ensure that every aspect of their security needs are handled thoroughly.

## OUR SERVICES

We offer customized security solutions for a range of clients, including restaurants, bars, office buildings, commercial facilities, construction sites, marinas, and more. Our services include:

- Access Control
- Vehicle Patrol
- Perimeter/Walking Patrol
- Gatehouse Security
- Courtesy Escort Service
- Bouncer/Door Security
- Loss Prevention
- Video and System Monitoring

Depending on your preference, officers can work uniformed or non-uniformed. Security officers in uniform give a professional appearance that can often proactively deter and prevent problems, while officers in business attire can offer a visible but discreet presence.

### **OFFICE & COMMERCIAL SECURITY**

K&T offers security services for office complexes and commercial locations, including access control, courtesy escorts, and after-hours patrols to keep your employees safe and protect against issues like theft, vandalism, and intrusions.

### **SPECIAL EVENT SECURITY**

The safety of your guests is always paramount. K&T can provide discreet security for your party, wedding, product launch, or fundraiser, as well as for large or outdoor events such as sporting events, concerts, and festivals.

### **SCHOOL & UNIVERSITY SECURITY**

Working in partnership with administration and staff, K&T can provide a safe and welcoming learning environment for schools, universities, and educational facilities of all sizes.

### **MARINA SECURITY**

With regular and random patrols and a highly visible presence, our guards protect your marina from theft, vandalism, and other criminal or undesirable behavior. Officers monitor parking areas, entrance gates, and docks as well as any existing video or security systems.

### **HOUSE OF WORSHIP SECURITY**

Houses of worship, including churches, synagogues, and mosques, have increasingly become the targets of violence and vandalism in the last few years. K&T provides security to ensure the safety of your congregation and property.

### **RESTAURANT, BAR & NIGHTCLUB**

Restaurants, bars, and nightclubs are especially prone to security issues, and a single incident can cause permanent damage to your reputation. Our staff are trained in conflict resolution and de-escalation techniques and handle issues as they arise to ensure that your venue remains a safe place for all patrons.

### **WAREHOUSE SECURITY**

With millions of dollars in inventory and equipment, warehouses and distribution centers can easily become targets. K&T can protect your valuable assets from theft, vandalism, and other unwanted activity.

### **HOTEL SECURITY**

Protecting your guests and property is critical to maintaining your reputation as a hotel. K&T's security officers are trained in handling any sort of incident and more importantly, preventing security problems from arising.

### **APARTMENT/CONDO SECURITY**

Your residents deserve the peace of mind that feeling safe and secure at home brings. Our security officers can provide regular patrols, courtesy escorts, access control, reception service, and more to protect your community.

### **RETAIL SECURITY AND LOSS PREVENTION**

Protect your employees and assets while ensuring a comfortable, safe experience for your customers. K&T provides patrols and loss prevention services for retail locations from small boutiques to large shopping centers and complexes.

### **TRADESHOW/CONFERENCE SECURITY**

K&T will design and implement a comprehensive security plan for your tradeshow or conference, preventing problems and responding quickly to any incidents arising.

### **SECURITY CONSULTING**

K&T's experts will thoroughly evaluate your facility's physical security, conduct an audit of your current security policies and protocols, and carry out an extensive threat and vulnerability assessment, providing you with a comprehensive report with our findings and recommendations.
