Why We Are Different

1

Experience

With decades of law enforcement and investigative experience, NIS Founder Edwin M. Nadal and his associates are highly experienced in private investigations for individuals, companies, law firms, and more.

2

Integrity

NIS investigators do not cut corners – our investigations are conducted with utmost integrity. Thorough documentation and strict adherence to professional ethical standards ensure that any evidence obtained is both reliable and admissible in court.

3

Innovation

Our investigators combine time-tested traditional detective methods with the latest and most up-to-date investigative techniques and technology to ensure that every possible avenue is explored.

4

Confidentiality

We recognize that most cases involving a private investigator are of a sensitive nature. Every case is handled with the highest levels of confidentiality and discretion.

NADAL INVESTIGATIVE SERVICES

Who We Are

Nadal Investigative Services was founded by Edwin M. Nadal, a 27 year veteran of the New York City and Nassau County Police Departments.

Throughout his career as a police officer, detective, and private investigator, he has investigated thousands of cases involving everything from homicides, narcotics, and missing persons to celebrity lawsuits, corporate licensing disputes, and unfaithful spouses. Mr. Nadal is also fluent in Spanish and specializes in cases involving Latino communities.

Mr. Nadal's team of investigators and researchers are all highly experienced in combining the latest technology and investigative techniques with traditional on-the-ground methods. NIS is licensed and insured in Virginia and Washington, DC.

Why Choose NIS

Mr. Nadal and his team are dedicated to finding you the information you need, exploring all possible avenues and using every means available.

NIS is committed to integrity, conducting every investigation with the highest standards of professionalism and ethics.
